Pre-Existing Condition Limitation - A pre-existing condition is any sickness or injury, whether specifically diagnosed or not, for which an Insured received treatment, consultation, care or services, including diagnostic procedures, or for which he/she took prescription drugs or medicines, during the look back period **(12 months)** before the individual effective date of coverage (or the effective date of an increase in coverage). Benefits (or an increased benefit) would not be payable due to a pre-existing condition unless the Critical Illness is diagnosed after the coverage period **(12 months)** from the Insured's effective date of coverage (or effective date of an increase).

Exclusions

A benefit will not be paid if the Critical Illness is caused by or contributed to by one of the following: an act of war, declared or undeclared; intentionally self-inflicted Injury; commission or attempted commission of a felony; the use of alcohol or drugs unless taken as prescribed by a Physician; a Sickness or Injury that occurs while confined in a penal or correctional institution; cosmetic or elective surgery that is not medically necessary; committing or attempting to commit suicide while sane or insane; participation in a riot or insurrection; for a Critical Illness Diagnosed outside of the US unless confirmed within the US; for a Critical Illness which is Diagnosed during the Benefit Waiting Period; for a Critical Illness that follows a different Critical Illness Diagnosis for which a benefit has been paid, within a shorter time period than reflected under Features. (Subsequent Occurrence); and for the same Critical Illness for which a benefit has been paid, if it is Diagnosed within a shorter time period than reflected under Features. (Recurrence).

For a complete list of exclusions and limitations, please refer to the Certificate of Insurance, which also provides all requirements necessary to be eligible for benefits.
